Mike and I both I sent an announcement to Tom Stoops. I also sent a notice to Jeni Flatow. She is going to do some outreach for us on social media and put the information on their webpage. Is there someone else we should contact?

Have we been in contact with DEQ regarding the open house?

Hi, Mark.

I got your voice message, and attached are the documents we are planning to have available at the Open House. They are:

- A map of the site
- The Superfund Snake

- The Superfund Stepping Stones
- This is Superfund
- CFAC fact sheet
- Open House handout

I think that is everything we discussed. Am I missing anything?

Thanks!
